

CHINESE TEACHERS ARE
ATTACKED BY SOLDIERS

PEKING, June 6.—Several hundred students, teachers, and others seeking an interview with the premier concerning arrears in pay, were attacked by soldier guards at the gates of the cabinet grounds.

The soldiers used the butts of their rifles, and several persons, including the director of the national medical school and the vice minister of education, are reported to have been seriously hurt.

The students had been conducting an independent demonstration and joined the teachers, after the latter had conferred at the ministry of education and were proceeding to visit the premier.

"FOR immediate relief from that excruciating pain, use Resinol Ointment. That is what thousands of doctors have been doing for years. They know it is cooling, soothing, easy to use, and rarely fails to overcome eczema and similar ills. At all drug stores."

17 MILLIONS GIVEN
CARNEGIE SCHOOLS
TO BROADEN SCOPE

Tech and Institute of Pittsburgh Must Raise \$4,200,000 to Get Huge Endowment.

By International News Service.
NEW YORK, June 6.—An additional donation of \$17,462,000 to the Carnegie Institute of Pittsburgh and the Carnegie Institute of Technology by the Carnegie Corporation of New York has been announced here.

The donation is contingent upon the raising of \$4,200,000 from outside sources, so that the institutions in Pittsburgh founded by Andrew Carnegie probably will have an entire increase in endowment of \$21,662,000.

The two Carnegie institutes in Pittsburgh were recipients of \$30,000,000 in endowment funds from Carnegie during his lifetime. The Carnegie Institute of Technology has about 4,000 students. It is the avowed purpose of the Carnegie Corporation to make the institute a still greater center of technical learning than it has been in the past. The plan of the institute is national in scope, as it welcomes students from every State in the Union and is particularly desirous of receiving students who are in moderate circumstances.

FAMILY WASHING OVER
SIDEWALK IS WALLOWED

READING, Pa., June 6.—The most unusual complaint ever received by the police department here has been adjusted.

Housewives will not be permitted to hang their family wash over the front sidewalk to dry, not if Police Lieut. Hayes McKinney can stop it. A complaint that a family on Franklin street, not far from the clayey park residential section, was using sidewalk space as a laundry, brought Lieutenant McKinney to the scene in record time. The wash lines and the wash came down, and orders against a repetition of the offense were given in no uncertain language. It was the first time such a complaint was received here. Pedestrians had to dodge the flapping wash until the police gave relief.

CHICAGO INDICTS 11 IN
UNION LABOR SCANDAL

CHICAGO, June 6.—Eleven indictments have been returned by a special grand jury investigating building material and labor combines. All charge extortion of money in connection with strikes.

Among the indicted is Michael Boyle, known as "Umbrella Mike," a well-known labor leader who was freed from jail last year by Presidential pardon.

MELODRAMA ONCE MORE
IS POPULAR IN FRANCE

PARIS, June 6.—Melodrama seems to be coming back on the Paris stage. "Never," said one theatrical magnate, "have audiences been more sensitive and responsive than now, and more prone to tears. It is evident the war has created this lively sensibility, and has made audiences so easily moved. It is noticeable even among the male spectators."

MAN KILLS WIFE
WHO NEGLECTED
GRAVE OF CHILD

Deaf to Screams for Mercy, Shoots Through Breast Twice, Then Commits Suicide.

CHICAGO, June 6.—Albert R. Beardsley, twenty-eight, of West Chicago, shot and killed his eighteen-year-old wife, Mrs. Alice Fowler Beardsley, today. He then killed himself.

The shooting is believed to have been caused by Beardsley's jealousy and his discovery that his wife had neglected the grave of their baby. They separated two months ago, a short time after their child died. Beardsley visited the grave in Melrose Park Cemetery Memorial Day.

"He came away from the cemetery fairly raving," said Guy Everett, a chauffeur, one of Beardsley's friends.

"He told me the grave was overgrown with weeds, that there were no flowers on it—no care."

The shooting occurred in a saloon. Witnesses say Beardsley said not a word. He met his wife on the street in front of the saloon and drew a revolver. Seeing the revolver she fled into the saloon. Beardsley followed. Inside Mrs. Beardsley begged her husband to have mercy. He shot twice, both bullets lodging in her left breast. Then he placed the revolver to his left side and pulled the trigger.

FORMER GERMAN LINER
RENAMED FOR HARDING

NEW YORK, June 6.—The former German passenger liner Kaiser Wilhelm II has been renamed President Harding, is announced by officials of the United States Mail Steamship Company, to which the vessel was allocated by the Shipping Board.

During the war the President Harding was known as the Agamemnon, and, operated by the navy, she played an important part in the transport service. She will sail between New York, Southampton and Bremen.

ICEBERGS, 500 FEET HIGH,
MAKES SHIP 4 DAYS LATE

NEW YORK, June 6.—More than four days overdue in reaching port, passengers who landed from the Cunard liner Saxonia here told of hobnobbing with five-story icebergs in the northern Atlantic. The vessel carried \$5,000,000 in gold. Blocks of ice from 200 to 500 feet high and from a quarter to a half mile in length lay thick across the steamship's path off Cape Race, according to the passengers. Heavy fog added to the ship's difficulties, and one day the liner made but twenty-two miles ahead.

MAN SHOT BY SON
DIES FROM WOUNDS

LONACONING, Md., June 6.—William Jacobs, aged seventy-six, a former member of the legislature, died Saturday from a gunshot wound in the thigh, inflicted by his son, Stanley Jacobs, several days ago. The son, who turned the gun upon himself, died a few hours after the tragedy. It is believed the young man became insane.

Mr. Jacobs is survived by his wife, one daughter, Miss Flossie Jacobs, and two sons, Frank and Alvin Jacobs.

U-97, ONCE SEA TERROR
TO BE SUNK BY U. S. GUNS

CHICAGO, June 6.—Another provision of the treaty of Versailles will be executed Tuesday afternoon off Chicago in Lake Michigan when the guns of the U. S. S. Willmette sink the German submarine U-97.

Stripped of machinery and tons of copper and brass, the rust-eaten hulk of the once deadly sea fighter, with a record of seven allied ships, will meet its doom at the hands of 200 naval reservists as part of their summer maneuvers.
